

# Hair/Costume Details (This should be used for the dress rehearsal, pictures and performance)

SEE THE SHOW ORDER SCHEDULE FOR HAIR STYLES, COLOR OF TIGHTS, & PLACEMENT OF ACCESSORIES FOR ALL CLASSES

*~Hair should be slicked back and hair sprayed/gelled with NO fly aways! (We do not recommend making drastic hair style cuts/changes within the months before the show as it can make it difficult for dancers to meet the hair requirements)*

*~There is NO jewelry except small stud rhinestone earrings permitted during pictures, rehearsal or performance.*

*~Underwear is not permitted because they will show in the photo due to the flashes and on stage due to stage lighting.*

*~NO Nailpolish on hands (OR feet if dancing barefoot) other than clear*

*~NO Tattoos (permanent or removable, including marker/pen drawings) or piercings other than single ear should be visible*

*~ONLY water and DRY snacks (ie pretzels, goldfish, crackers) in their costumes! This prevents spills and stains on costumes for stage-no yogurts, chocolates, strawberries, oranges, etc **DUE TO ALLERGIES-NO NUTS***

*~Remove all costumes from packaging and hang when received to allow wrinkles to fall out*

*~All tights must be CAPEZIO ULTRA SOFT tights ONLY in the specified color. Other colors, brands, or fashion tights look very different. Ellman's Dancewear on Patterson Ave is recommended as our local dance attire store for tights and shoe needs.*

*~ LABEL each piece of dancer's costume and shoes- this helps with fast changes and to ensure your dancer leaves with their belongings*

*~Costumes should not be worn prior to the show other than pictures or dress rehearsal.*

*~All hair accessories should be secured with 2 bobby pins on either side of the head crisscrossed to make an X*

*~Dancers with fast changes or who are more comfortable, can wear a skin colored leotard under their costume. Capezio adjustable strap leotard TB1420 is a recommended style.*
